

TechNova Solutions Pvt. Ltd.

Employee Handbook

This handbook provides employees with essential workplace policies, expectations, and company guidelines. It should be read alongside the Leave Policy, Work From Home Policy, IT Security Policy, and Employee Benefits documents.

1. Welcome to TechNova

Welcome to TechNova Solutions Pvt. Ltd. We are a software and AI solutions company with approximately 420 employees. Our mission is to build secure, scalable and innovative digital products while fostering a collaborative and inclusive work environment.

2. Working Hours & Attendance

Office hours are Monday to Friday, 9:30 AM to 6:30 PM. Employees are expected to arrive on time. Hybrid employees work from the office three days a week unless approved otherwise. Attendance is recorded through the HR portal.

3. Code of Conduct

Employees must treat colleagues with respect, avoid discrimination or harassment, protect confidential information, and comply with company policies. Professional behaviour is expected during meetings, emails, chats and client interactions.

4. Communication

Microsoft Teams and company email are the primary communication channels. Important announcements are published through the HR portal. Employees should respond to internal communications within one business day whenever possible.

5. Performance & Learning

Performance reviews are conducted twice a year. Employees are encouraged to complete technical training, security awareness programs and professional certifications using the company's learning budget.

6. Workplace Safety

Employees should immediately report accidents, unsafe conditions, or security incidents to HR or IT. Emergency exits and evacuation procedures must be followed during drills.

7. Equipment Usage

Company laptops, monitors and licensed software are provided for official work. Installation of unauthorized software is prohibited.

8. Data Privacy

Confidential company and customer information must not be shared externally without authorization. Employees should comply with applicable privacy regulations.

9. Remote Work Expectations

Employees working remotely should maintain a stable internet connection, join scheduled meetings, and use the company VPN when accessing internal systems.

10. Acknowledgement

Employees are expected to read this handbook and comply with all company policies. Detailed rules regarding leave, benefits and IT security are available in their respective policy documents.
