## **Employee Benefits Policy**

This policy explains the benefits available to eligible employees of TechNova Solutions Pvt. Ltd. It should be read alongside the Employee Handbook and Leave Policy. Benefit eligibility may vary depending on employment type and length of service.

## **1. Purpose**

TechNova is committed to employee wellbeing by providing competitive benefits that support health, financial security, learning, and work-life balance. The company reviews benefits annually.

## **2. Health Insurance**

All confirmed full-time employees are covered under the company health insurance plan. Coverage extends to the employee, spouse, and up to two dependent children. Cashless hospitalization is available at network hospitals, and annual preventive health check-ups are included.

### **3. Wellness Program**

Employees receive access to mental wellness counseling, fitness challenges, vaccination drives, annual health camps, and an Employee Assistance Program (EAP). Participation is voluntary and confidential.

### **4. Learning & Development**

Every confirmed employee receives an annual learning budget of ■25,000 for approved certifications, technical courses, books, workshops, and conferences. Manager approval is required before reimbursement.

## **5. Performance Bonus**

Annual performance bonuses are based on individual performance, team contribution, and company results. Outstanding performers may also receive spot awards and recognition certificates during quarterly town halls.

## **6. Travel & Expense Reimbursement**

Employees travelling for approved business purposes may claim airfare, train tickets, local transportation, hotel accommodation, and meal expenses. Expense claims must be submitted within 15 days of travel along with valid receipts.

## **7. Retirement & Financial Benefits**

Eligible employees receive Provident Fund (PF) contributions in accordance with applicable regulations. The company also provides gratuity benefits for qualifying employees and optional National Pension System (NPS) enrollment.

## **8. Flexible Benefits**

Employees may choose from optional benefits such as internet reimbursement (up to ■1,000 per month), mobile reimbursement for eligible roles, ergonomic work accessories, and childcare support where applicable.

## **9. Employee Recognition**

Long-service awards are presented after 5, 10, and 15 years of service. Employees demonstrating exceptional innovation or customer impact may receive special recognition and monetary rewards.

## **10. Policy Administration**

The Human Resources department administers all employee benefits. Questions regarding eligibility, claims, reimbursements, or policy interpretation should be directed to HR through the employee portal. TechNova reserves the right to revise benefit programs with prior notice.
